03. Information on Apostille and Consular Confirmation

01_Guidance on submitting documents confirming the academic background from overseas schools

There are two ways to confirm and submit your academic background documents from overseas schools. One way is to submit an Apostille verification of high school related documents. The other way is to submit the documents verified by the Korean consulate in your country.

If the submission is delayed due to unavoidable circumstances, it must be submitted to the International Affairs Team (Kim, Chae-won) within the designated deadline after the announcement of successful applicants.

02_Notes on the Apostille

A. Apostille Convention

- 1) In order to facilitate mutual authentication of official documents between countries that have signed up to the Convention, the procedure for consular verification of foreign missions was abolished and the official document issuing country has confirmed this.
- 2) Documents from countries that are signatory to the Convention that have been confirmed by Apostille have the same effect as those of the consulate abroad.
- 3) Documents that require consular confirmation among the attached documents for issuance of a visa issuance certificate, etc., are recognized as documents that have been confirmed by the existing consular (non-contracting countries) or Apostille (Immigration Section -8354, '07.8.13).

03_Apostille Issuance Procedure

A. Public documents (national and public schools, etc.)

B. Private documents (private schools, etc.)

04. Notice

01_Application and registration matters
