

# Memorandum of Understanding

BETWEEN

COLLEGE OF ELECTRONICS AND INFORMATION  
AT KYUNGHEE UNIVERSITY, REPUBLIC OF KOREA

AND

FACULTY OF INFORMATION TECHNOLOGY  
AT NHA TRANG UNIVERSITY, VIETNAM

For the purpose of international cooperation in both education and academic research, the above two parties hereby affirm their intent to promote such academic cooperation and program exchanges as will be of mutual benefit to their respective school. Academic cooperation and program exchange include but are not limited to:

1. Exchange of students, faculty members, scholars, and researchers
2. Coordination of such activities as joint research, lectures, and symposia
3. Exchange of data, documentation, and research materials in the fields of mutual interest
4. Mutual implementation of innovative ideas

Details of the implementation of any particular initiative resulting from this agreement shall be negotiated between the two school units as each specific case may arise.

Both parties understand that financial arrangements will have to be negotiated and will depend on the availability of educational and research funds.

This Memorandum of Understanding becomes effective upon completion of the signatures.
